

Team-Teach Training

Team-Teach is a method of developing acceptable and authorised responses to disruptive, disturbing, angry and aggressive behaviours, in a manner that maintains positive relationships and provides safety for all.

The aims of this Team-Teach One Day Course for Mainstream Schools are:

- To promote effective, safe, verbal, non-verbal, positive and protective responses to behaviour management.
- To provide an accredited training framework designed to reduce risk
- Develop and reinforce de-escalation skills within the context of an holistic approach to positive handling and behaviour management
- Help extend the skills and techniques necessary for safe positive handling and physical interventions
- Explore issues around current guidance, documentation, policy and legal guidelines
