Provide you with a **dedicated expert coach** who will champion, challenge and encourage your leadership journey, developing your specialist knowledge and supporting your wellbeing and resilience as a leader.

Deepen your **knowledge application** to enable you to help your school keep improving across a number of specific areas of school life – including curriculum, behaviour, teaching and organisational management.

Create **networked communities of practice** of fellow professionals to support your development for the long-term, enabling the collective expertise of the whole education system to grow and develop.

Some excellent face to face and webinar learning alongside useful networking opportunities has given me practical strategies to put into use back at school.

## Your Learning Experience

The Church of England NPQSL programme is designed to develop you as a leader in 3 key aspects, which we define as **CALLED, CONNECTED** and **COMMITTED**.

Drawing on these aspects of leadership, your learning experience with the Church of England will be defined by 6 interacting principles upon which we have built the entire programme.

### #1 Teacher excellence at the heart of Leadership

Be inspired to place the art and craft of teaching at the heart of your vision for senior leadership and secure the best outcomes for children through building a culture of teacher excellence and effective classroom practice.

### #2 Culture which shapes Leadership Practices

You set the culture and define it by your expectations, actions and decision-making, enabling your teams to secure the very best outcomes for every child. Putting your vision into practice is complex, but each unit will help you to bring this vision alive.

### CALLED:

Defining self-identity and ambitious school vision for flourishing children and adults

### COMMITTED:

Enacting purpose through evidence-led decision-making and actions

### CONNECTED:

Developing together within an inter-dependent community of learners

### #3 Creating and sustaining Communities of Practice

We flourish together not alone. Your training will embed you in vibrant professional networks, ensuring that your wisdom and wellbeing are strengthened by the community.

### #6 Social Justice and Serving the Common Good

Our Vision for Education for all schools is centred on the flourishing of children and adults through Educating for Wisdom, Hope, Community and Dignity. Leading excellence in teaching is the most effective way to enact social justice for any community.

### #5 Effective Role-Specific Application of Knowledge

The knowledge you gain will be applied effectively, specific to your role as a Senior Leader, enabling you to deeply understand the evidence based teaching, and put your teaching into practice in new and unfamiliar contexts.

### #4 An Expert Coach for Every Leader

Your expert coach will guide you through a significant proportion of the programme, enhancing your understanding of the research and supporting your practice of new skills.
